

# **3 OTPU communication optical cable**

## Overview

---

0 Single Jacket Round Fiber Optic Cable is a compact, ultra-flexible tactical cable designed for harsh environments. Our optical cable features durable printed markings that can withstand 140 rubs at 5N force, compared to the usual 10-20 rubs from other manufacturers. It has a TPU outer sheath, which is more wear-resistant, oil-resistant, and stronger than LSZH sheaths. In the past 20 years, GL FIBER has been providing high quality optical fiber & cables products to telecom Operators, Contractors, ISPs, Trade importers, Resellers, Engineering Firms, OEM customers and various communication projects in more than 190 countries worldwide. This is a 12 Fiber G50/125-OM4 Black Jacket metal-free, strain-relieved fiber optic cable.
