

7008e Fiber Optic Switch

Overview

Managed Switch 7000 series, 8 RJ45 ports 10/100 Mbps, degree of protection: IP20, Ambient temperature (operation): -40 °C. 58 V DC, PROFINET Conformance Class A, EtherNet/IP™ Free download available. Please be informed that the data shown in this PDF document is generated from our online catalog. An article-related China RoHS declaration table can be found in the download area for the. The ML7008E-LFN is an 8-channel, 800G BERT purpose built for long reach applications including PCIe- Gen 3, 5 and 6, automotive, transceiver and data center interconnect testing. 6FE+2x100M Single-Mode SC Fiber Port Industrial Managed Ethernet Switch The EKI-5708E, 5710E, and EKI-7708E series deliver reliable, high-speed industrial networking with essential Layer 2 management functions within a practical budget.
