

96-pin connector box

Overview

Make connections quickly and reliably with this breakout board, which brings every pin of its 96-pin DIN 41612 connector out to screw terminals. Available connectors include Male Right Angle Style C and Female Right Angle Style R. This breakout board is perfect for production applications as well as experimentation and prototype work. Product numbers ending with -DIN come with DIN clips already installed and ready to snap onto 35mm or 32mm DIN rail.
