

# **Aerospace plugs and industrial switches**

## Aerospace plugs and industrial switches

---

### Unison Industries

Sensors & switches Unison's high-fidelity sensors are built to perform in extreme conditions, helping customers achieve peak efficiency and reliability. Precision

Hier sollte eine Beschreibung angezeigt werden, diese Seite lässt dies jedoch nicht zu.

### MIL-SPEC Connectors for Aerospace , Molex

Reliable MIL-SPEC connectors for the aerospace market--engineered to meet strict standards for high-performance, secure connections in mission-critical systems.

### Aerospace , Electrical power , Eaton

We're powering the journey toward more electric aircraft with an expanding portfolio of electrical connectors, cables and backshells for high-performance aerospace applications. See our latest

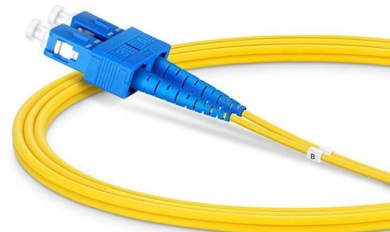

### **Aerospace Plugs , CTG Inc.**

When designing custom aerospace plugs, the staff at CTG, Inc. helps customers through the complete life cycle of customer input and design, prototyping (optional), tooling/mold production, and

### **Industrial Plugs and Sockets**

Safe, Durable, and Reliable Industrial Pin & Sleeve Connectors Amphenol's Industrial Plugs and Sockets are pin and sleeve connectors ideal for applications

### **Aircraft & Aviation Plugs , Aircraft Hardware , Aero Fastener**

Aero Fastener stocks a wide variety of aircraft plugs. Browse our selection of aerospace plugs today! Same-day shipping available.

### Aerospace & Military Connectors - Phase 3 Connectors

Phase 3 manufacture electrical power products for Military and Aerospace industries. Powersafe Connectors have been used for the launch of spacecraft technology,

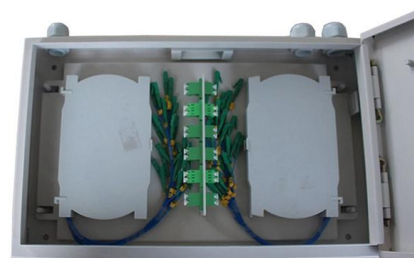

### Rugged Aircraft Ground Power Connectors , Anderson Airmotive

Anderson Airmotive provides durable, easy-to-assemble ground power connectors for commercial and military use. Explore AS-7974D QPL connectors, molded AC/DC power cables, and military-tested

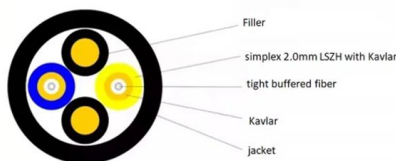

### Amphenol Military & Aerospace Products Overview

Amphenol Military & Aerospace Operation is the world leader in the design, manufacture, and supply of high-performance interconnect systems for harsh environment military & aerospace applications.

### Connectors , Products , Amphenol

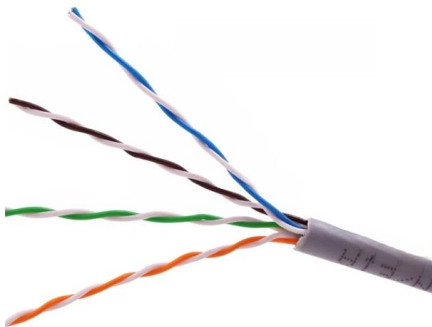

Our wide array of electrical and electronic connectors come in multiple form factors and are designed to meet the latest market needs including high power, high

## Defining and Advancing Rugged, Reliable Connectivity

Rugged, Reliable Connectivity in Aerospace and Defense Rugged connectors in land-based military systems must handle severe vibration, thick dust

## Aerospace & Defense Switches, Sensors & More , ES Electronics

Aerospace and Defense customers worldwide have trusted their business with ES Electronics for over 60 years. Manufacturers such as Honeywell, Micro Switch, Eaton and Otto attract Aerospace

## Startseite

We have provided custom cable services for a wide range of applications and industries, including military, automotive, medical and high-end industrial assemblies.

**EFFICIENT FIELD TERMINATION**

- 1. PREPARE** - Strip and clean the fiber
- 2. INSERT** - Fast and easy insertion
- 3. LOCK** - Secure connection achieved

**No Polishing | No Epoxy**

Eliminates cable excess length and pigtail splice storage. Designed for high-efficiency onsite installation.

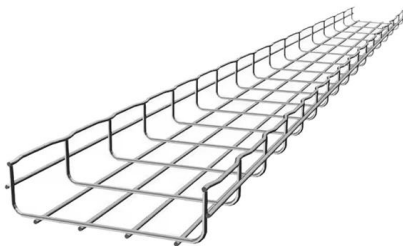

## Amphenol Aerospace

Amphenol Aerospace designs and manufactures QPL Mil-spec and custom circular and rectangular electrical and electronic connectors for the military and

### Home , Aerospace-Electrical

Explore our extensive electrical catalog featuring a wide range of high-performance components for commercial, industrial, and aerospace applications. From

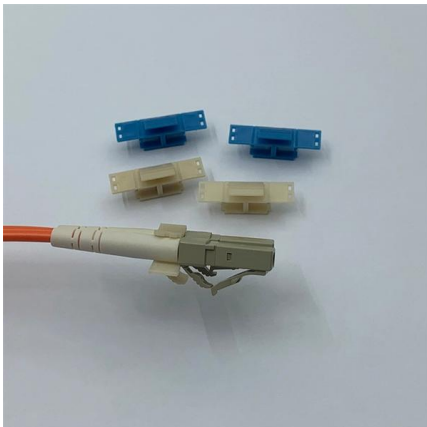

### Home

We have provided custom cable services for a wide range of applications and industries, including military, automotive, medical and high-end industrial

### Home , Aerospace-Electrical

Electrical Catalog Explore our extensive electrical catalog featuring a wide range of high-performance components for commercial, industrial, and aerospace

### High Power and High Voltage Connectors , Amphenol

Amphenol Aerospace's high voltage and high-power connectors provide seamless and uninterrupted power distribution for energy-demanding applications. The

### Aerospace & Military Connectors - Phase 3 Connectors

The fully certified military connectors include plugs and socket formats for power distribution up to 800 amps. Fast lead times, incredible quality, always reliable.

### Aerospace Sealing Screws by ZAGO , Switch Boots,

Sealing screws and fasteners for the Aerospace industry, manufactured by ZAGO. Learn applications and uses of sealing fasteners, switch boots, nuts, etc.

### Aviation Products , Solutions for Aircraft OEMs & Suppliers , Caplugs

Explore our full line of molded components for aviation, including parts designed to meet common MIL/NAS specification or with performance features like UV resistance, conductivity, chemical

### Ground Power Plugs and Aircraft Battery Connector

Anderson Airmotive continues their manufacturing excellence by producing the largest selection of qualified plugs, cable assemblies and receptacles.

## Mil-Spec and Custom Circular Connectors , Amphenol Aerospace

An expansion of the MIL-DTL-38999 series to provide solutions for next-generation power requirements. Amphenol Aerospace's vast circular connector portfolio is stocked with Mil-Spec qualified

### Aviation Plugs , McMaster-Carr

Choose from our selection of aviation plugs, including mil. spec. screw-together connectors, mil. spec. compatible connectors, and more. Same and Next Day Delivery.

Motor protection controller

### Aerospace Connectors

Finding a reliable connector solution for modern aerospace applications is crucial. Whether used in applications such as avionics and control systems to in-flight entertainment and connectivity (IFEC),
