

Barbados Ireland Bridge

Overview

Proposal The idea for a Scotland to Northern Ireland Bridge, sometimes branded in the press as the "Celtic Crossing" or "Irish Sea Bridge", was revived in January 2018 by Professor Alan Dunlop of the University of Liverpool. He proposed a combined road and rail crossing between Portpatrick, in Dumfries and Galloway, and Larne in Northern Ireland, claiming that his rough estimates showed it would be viable. So far the project has at various times received support from senior politicians in both the UK and in Ireland, and across a number of political parties.
