

Cable organizer with 48 ports thickened

IP65 / IP67 Sealing Design

**Reserved Bottom
Mounting Holes**

Overview

Made from heavy-duty 14ga cold-rolled steel, this patch panel includes a built-in cable-management loom that keeps cables efficiently organized on the back of the panel. To meet the needs of enterprises and data centers, DTECH has launched the Metal Rack-Mount 1U 48-Port Cabinet Cable Manager. This cabinet cable manager uses a sturdy and durable metal rack design to provide users with an excellent cable management solution. Neat-Patch network cable management solutions are engineered for high-density IT racks using 24-48 patch cables. The N052-048-1U 48-Port 1U Rack-Mount High-Density 110-Type Patch Panel frees up valuable real estate by condensing 48 ports into just 1U of space in your EIA-standard 19-inch rack.
