Calibration

GLOBAL-TEST Ltd. offers instrument calibration in ISO 17025 accredited laboratory in Germany and Bulgaria - with ISO and DAkkS certificates.

OM1 Fiber Patch Cable Family

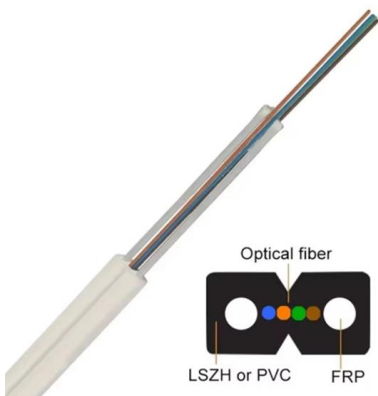

Fiber testers : Equipment and tools , Fluke Networks

A guide to fiber optic testers, tools, and troubleshooting Fiber optic cabling is the high-performance core of today's datacom networks. As network speeds and

Communication Test Sets Calibration: Ensuring Reliable

Choosing Between Professional and In-House Calibration When evaluating calibration options for your communication test sets, you'll face a

Calibration, test equipment management, qualification & validation

Our accredited laboratories cover almost all measurement parameters and offer you a unique service portfolio - from collection of the test equipment, calibration up to repair. We calibrate your test

Accredited Quality Assurance Calibration

With our accredited calibration services, you receive a measuring equipment calibration certificate following relevant standards. The measuring equipment must be traceable to national standards, and

Products

Products, Optical communications, optical communication systems, consulting, design, splicing, testing of fiber optic lines, localization and elimination of

Rohde & Schwarz CMW290 Functional Communications Tester

Professional Rohde & Schwarz CMW290 Functional Communications Tester calibration services, repair, sales and rental.

UKAS accredited fibre optic, photometric and electronic

Specialists in Calibration, Service, Repair and Sales of Fibre Optic, Electrical, Electronic and Photometric Test and Measurement Equipment. OTC was

ComstroyGroup

The migration of a large volume of optical and copper links between two points with minimal controlled interruptions. The company was one of the first partners that

Calibration Services , SGS Bulgaria

Our calibration services utilize dynamic measurement systems instrumentation to achieve dynamic measurement accuracy. SGS provides calibration equipment which is demonstrably traceable to the

Metrological Laboratory - EMSYST

Almost all standards, manufactured by EMSYST-6 and sold, have to be calibrated, according to their accuracy class, to the corresponding higher class standard in the calibration laboratory.

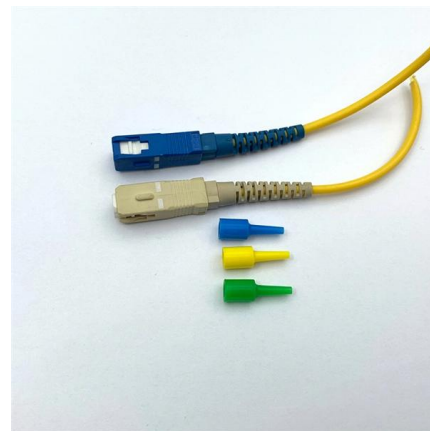

SGS in Bulgaria

Our Calibration Laboratory in Burgas is also accredited under ISO/IEC 17025:2018 for tank calibration services. SGS Bulgaria EOOD operates Type A inspection

Kalibra Measuring Services

Kalibra Measuring Services also offers other calibration methods such as water calibration, strapping, optical reference line and optical triangulation, almost all

Fiber Optics Calibration

Fiber Optics Calibration Our Process for Fiber Optics Testing & Calibration The need for testing the performance of fiber optic networks has become essential in today's world of high-speed

Test equipment

Test equipment, Optical communications, optical communication systems, consulting, design, splicing, testing of fiber optic lines, localization and elimination of damages. Representative of Sumitomo,

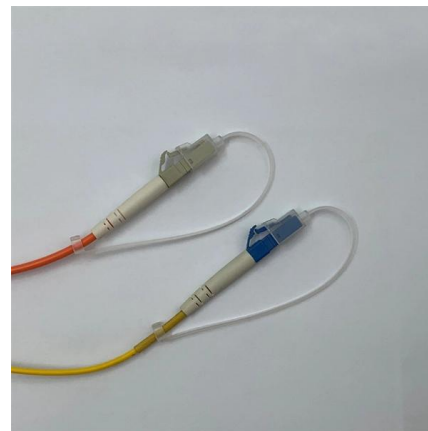

Calibration of Measurement Instrumentation , SGS Bulgaria

Calibration of Measurement Instrumentation Inaccurate measurement leaves oil and gas companies exposed to the risk of large financial losses whether at the exploration, production or distribution stage.

Fiber Optic Tester Calibration Service with ISO 17025

Maximize performance with fiber optic tester calibration service. Fast, reliable, and ISO 17025 accredited for peace of mind.

Unisyst Laboratories - Calibration

The UNISIST Ltd. calibration laboratory was established in 1996. The laboratory is one of the first accredited laboratories by the Executive Agency "Bulgarian Accreditation Service" in Bulgaria,

EXFO Calibration and EXFO Repair by Custom-Cal

Custom-Cal offers discount Exfo Calibration and repair on Exfo Optical, Fiber Optic, communication and photonix laboratory test equipment, including instruments not

Calibration and Dimensional Testing

Inspection , SGS Bulgaria

With SGS as your measurement instrumentation calibration partner, you can be sure of the highest degree of measurement accuracy, helping you to maintain client confidence and preventing costly

Communications Equipment Calibration Services

Tektronix communication calibration services ensure that your critical equipment performs flawlessly in the interconnected world. Whether you're dealing with

Contacts

Contacts, Optical communications, optical communication systems, consulting, design, splicing, testing of fiber optic lines, localization and elimination of damages. Representative of Sumitomo, EXFO,

The Art of Calibrating Optical Sensors

Optical sensors are widely used in various industries, including aerospace, automotive, healthcare, and manufacturing, to measure physical parameters such as distance, temperature, and pressure. To

Accredited Quality Assurance Calibration

What are the benefits of accredited calibration? Accredited quality assurance calibration delivers proven accuracy and compliance with recognized standards. This process safeguards traceability while

Frodexim

The developed and produced by Frodexim modems and converters are successfully sold in Bulgaria as well as abroad. We are one of the leading suppliers in

Fiber Optic Calibration Services

Delivering Crystal-Clear Connectivity Tektronix state-of-the-art calibration laboratory offers a comprehensive range of services for fiber optic test and measurement
