

Can fiber optic cables be sold for money now

Overview

Whether you have professional-grade fiber-optic cables or want to clear your inventory of old cables you no longer need, there is a strong market for both. Can you sell fiber optic cable in a competitor market?

Who will buy scrap fiber optic cables?

What are the best online sites where I can sell my fiber optic equipment?

These questions will help you to evaluate the fiber optic cable market 2024 and the potential targeted customers. This guide is designed to shed light on the practical aspects of fibre cable salvage, from assessing potential worth to the actual process of recycling. There are some large specialty cables that are extremely expensive (largest I've seen is an 864 strand) that can cost hundreds. Scrap fiber optic cable is typically purchased by companies or individuals involved in the recycling or scrap metal industry.
