

# **Custom Effect of Distribution Box Cover**

## Overview

---

Customize dimensions and mounting options to enhance ventilation, heat dissipation, and overall system efficiency based on installation requirements. When a contractor starts planning a real-world power or control project, the first concern is rarely the box itself. Distribution boxes are widely used in many industries, including industrial, commercial, residential, and municipal fields. EWJ are a professional metal enclosure manufacturer providing electrical enclosures, aluminum enclosures, stainless steel junction boxes, and IP65 outdoor enclosure solutions. Submit your requirements or design draft to us, and we'll provide a free design and deliver a high-quality prototype in just 15 days - ensuring your project stays on schedule with speed and precision. Choosing the right materials helps manage heat, resist vibration, and simplify cable routing.
