

# **Estonian Industrial Optical Modules**

## Estonian Industrial Optical Modules

---

### Find Electronic Components - Mouser Estonia

Find electronic component datasheets, inventory, and prices from hundreds of manufacturers. Mouser is an ECIA Authorized distributor.

### Lens Manufacturer Estonia

Premier optical lens manufacturer in Estonia. Contact TOG Europe for all your lens manufacturing needs, from single vision to polycarbonate lenses.

### Estonian Fiber

Network Planner is responsible for designing and planning the deployment of fiber optic networks to residential and commercial customers. This includes conducting

### Solar Module Manufacturing in Estonia: A Nordic Strategy

Discover the strategic case for manufacturing solar modules in Estonia. Learn how specialized panels engineered for snow and low light can win the Nordic market.

### **The Estonian Centre for Defence Investments (ECDI)**

The Estonian Centre for Defence Investments (ECDI) has signed framework agreements with 15 companies for the procurement of electro-optical

### **Optics in Estonia: Research and Innovation Highlights**

Based on citation data, an overview of that part of Estonian basic physical research where optical phenomena or optical methods themselves are

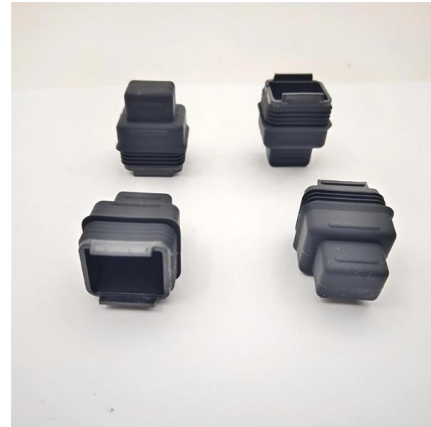

### **ETL brošür 2024 small**

The manufacture of computers, electronic and optical equipment makes up about 70% of the sector's turnover. The activities of companies range from Electronics Manufacturing Services to producing

## Optical & Photographic Equipment Manufacturing in Estonia Industry

The Optical & Photographic Equipment Manufacturing industry in Estonia operates under the industry code EE-C267. This industry manufactures optical instruments, lenses and photographic equipment,

## ETL brošür 2023\_2

With more than 270 companies and 13,000 employees, the electronics industry is one of the largest industrial sectors in Estonia, with companies focused on customer satisfaction, quality, and growth.

## Technology Partner for Optics, Photonics and Optoelectronics , Jenoptik

As a global photonics company, we focus on optical technologies and use the potential of light to advance our customers

## The Estonian Centre for Defence Investments (ECDI) Signed

The Estonian Centre for Defence Investments (ECDI) has signed framework agreements with 15 companies for the procurement of electro-optical devices. These contracts enable the

## HEVI Optronics: Estonian Defence Company 2024

We are delighted to share some exceptional news: HEVI Optronics, one of our valued customers, has been honored as the Defence Company of the

### The Estonian Centre for Defence Investments (ECDI) Signed

The Estonian Centre for Defence Investments (ECDI) has signed framework agreements with 15 companies for the procurement of electro-optical devices. These contracts enable the Estonian

### List of Estonian Photonics Companies

FLIR Systems is the world's largest commercial company specializing in the design and production of thermal imaging cameras, components and imaging sensors. The manufacturing facility

### The Estonian Centre for Defence Investments (ECDI)

These contracts enable the Estonian Defense Forces to purchase electronic aiming and detection devices, laser sights for weapons, and smart

## Estonia Pioneers Instrument for Comet Interceptor

"Estonia is proud to be contributing science and technology to ESA's Comet Interceptor Mission supported through ESA's Prodex programme. Prodex

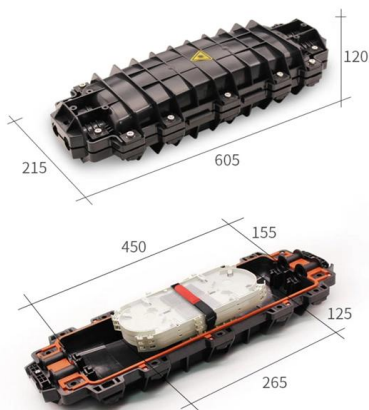

## Manufacturers

Today, we are delivering optical communications solutions for growing segments like outdoor and indoor 5G networks, and hyperscale data centers. DNS is an Estonian brand of structured cabling systems

## Top Fiber Optic Telecommunications Companies in Estonia

When exploring the Fiber Optic Telecommunications industry in Estonia, several key considerations emerge. The regulatory framework is crucial, as Estonia has established a supportive environment

## INTERSPECTRUM OU, Optical Instruments, Estonia

Company Introduction Interespectrum OU, established in 1991, is a research and development as well as manufacturing company of precision infrared optical test instruments. The main activity has been

## Top 7 Ophthalmic Laser Manufacturers in Estonia (2026) , ensun

The B2B platform for the best purchasing decision. Identify and compare relevant B2B manufacturers, suppliers and retailers Supplier discovery Production Technologies Industrial Laser Ophthalmic

## Opto-electronics - Mouser Estonia

Mouser offers inventory, pricing, & datasheets for Opto-electronics.

## Optics in Estonia: Research and Innovation Highlights

Based on citation data, an overview of that part of Estonian basic physical research where optical phenomena or optical methods themselves are the subjects of study is given.

## Top 14 Optical Sensor Manufacturers in Estonia (2026) , ensun

Top Optical Sensor Manufacturers in Estonia The B2B platform for the best purchasing decision. Identify and compare relevant B2B manufacturers, suppliers and retailers Supplier discovery

## ArmNord OÜ -- Electronics, Optics & Composite Engineering

ArmNord OÜ programmes and configures electronic systems, works with high-resolution optics, and designs composite products for mass production -- serving civil, specialised, and defence industry

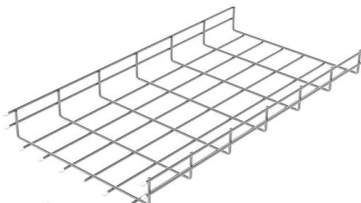

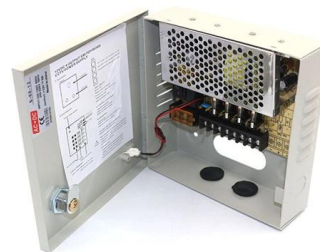

## Professional Guide to Industrial Optical Modules

While commercial-grade optical modules are usually suitable for environments ranging from 0°C to 70°C, industrial-grade optical modules are capable of operating under extreme

## Estonia pioneers instrument for Comet Interceptor

An ESA programme called Prodex has enabled Estonian researchers and industry to join an international mission to intercept and examine a comet

## Estonia Coherent Optical Equipment Market (2024-2030) , Value,

Historical Data and Forecast of Estonia Coherent Optical Equipment Market Revenues & Volume By Fiber-to-the-Home (FTTH) Optical Network for the Period 2020- 2030

## **INTERSPECTRUM OU, Estonia, Electrical Equipment & Supplies**

Company Description Interespectrum OU, established in 1991, is a research and development as well as manufacturing company of precision infrared optical test instruments. The main activity has been

## **Top 7 Optical Lens Manufacturers in Estonia (2026) , ensun**

Discover all relevant Optical Lens Manufacturers in Estonia, including Glens OÜ and Norman-Optika
