

Syropy AI Connectivity

Fiber optic splice box disassembly price

Overview

Per-splice pricing often ranges from \$200 to \$600, depending on the equipment and skill required. The exact price hinges on splice complexity, fiber type (single-mode vs multimode), jacket condition, and whether the repair occurs on a backbone, distribution, or. I usually bill T&M, but it works out to about \$175-250 for setup/teardown per site and \$4-7 per fiber for prep in a new tray in an existing case and splicing depending on if it's flooded or dry cable. Add another \$50-75 to prep a new case endspan or \$100-150 for a new case midspan with overcut on. In some cases, high-quality materials might offer better durability, potentially reducing future. 00 per Enclosure Point Travel/Mobilization - Travel/Mobilization will not be charged if the labor for each trip/phase exceeds the minimum labor work as indicated below.

Fiber optic splice box disassembly price

Wholesale Fiber-optic Splice Closures from Manufacturers, Fiber-optic
