

Floating Platform Optical Cable Price

Overview

00 per ft depending on terrain, access, and required precision for termination. Eland Cables supplies a comprehensive range of cables for use in shipboard wiring, offshore platforms, and other at-sea installations for oil drilling and production. These cover power, control, signal, instrumentation and communication applications. Here is where the "price gap" actually comes from: In 2025, almost every serious project spec requires LSZH (Low Smoke Zero Halogen) for safety.
