

# Georgia Optical Cable Progress

## Overview

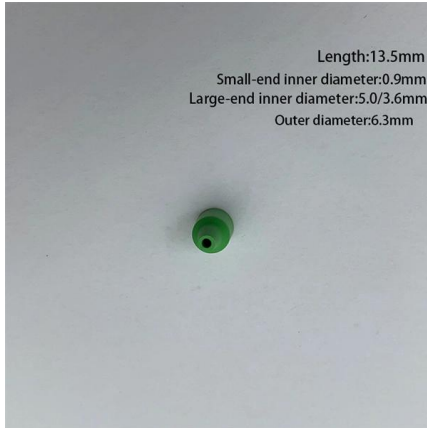

---

OFS has been investing in optical fiber and fiber optic cable manufacturing in Norcross, Georgia, including a \$139 million expansion that was fully operationalized by 2022. Lumos Networks is set to transform internet access across Georgia by deploying 5,000 miles of fiber infrastructure. This substantial investment will enhance connectivity for homes and businesses, delivering gigabit-speed internet with low latency. The Georgia Fiber Optic Cable Market is projected to witness mixed growth rate patterns during 2025 to 2029. Norcross, GA – Today, Secretary of Commerce Gina Raimondo and Assistant Secretary of Commerce Alan Davidson will travel to OFS's headquarters in Norcross, GA with U. Senator Reverend Raphael Warnock (D-GA) to celebrate the announcement of new jobs and increased domestic production of optical. When completed, a portion of the network will be dedicated to commercial customers large and small, from hyperscalers looking for.
