

High-quality spectrometer production

High-quality spectrometer production

Strategies for high performance and scalable on-chip

Miniature spectrometers provide promising potential for on-chip or in situ optical analysis. In recent years there has been significant progress towards

In-Line and In-Process Spectrophotometers , HunterLab

You can perfect your in-line production methods with in-line and in-process spectrophotometers/colorimeters from HunterLab. We're proud to have set the bar for color

High performance OEM spectrometers

Focused 100% on OEM business, Ibsen Photonics is the preferred partner for leading industrial companies in volume supply of high performance spectrometers

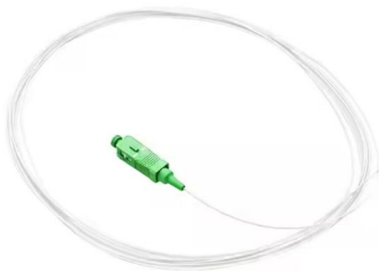

High Resolution Spectrometers , Ocean Optics

High resolution spectrometers for UV, Visible and NIR wavelength ranges are ideal for laser characterization, absorbance & emission analysis.

Gas Chromatograph-Mass Spectrometry Solutions

Gas chromatography/mass spectrometry (GC/MS) is an analytical technique that combines gas chromatography and mass spectrometry to identify unknown

Spectrometers for Steel Testing in Steel Industry Plants

By minimising correction time and maximising throughput, a spectrometer for Steel testing ensures production accuracy while saving costs.

Your Guide for Volume Production of Spectrometers

Your Guide for Volume Production of Spectrometers Building one spectrometer might not seem overwhelming for anyone. But what do you do if this spectrometer is

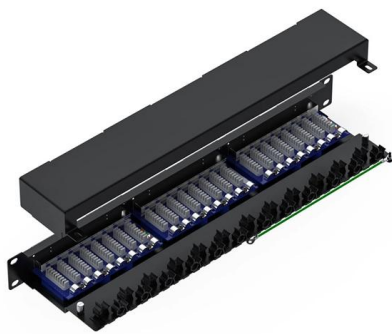

Why a High-Quality Spectrometer Is Your Most Critical

By systematically reviewing these factors--application fit, performance specs, hardware quality, software, vendor reliability, and cost

High performance OEM spectrometers

Ibsen offers a wide range of robust, athermal, industrial-grade OEM spectrometers that can be tailored to your exact needs. We are dedicated to being your preferred OEM spectrometer manufacturer for

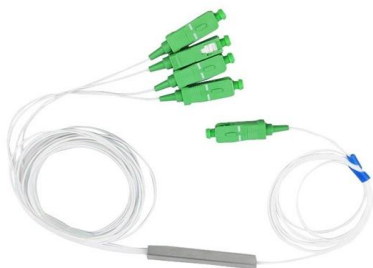

ASD Portable Spectrometers & Spectroradiometers , Malvern Panalytical

ASD Visible, NIR (and SWIR) spectrometers & spectroradiometers are the industry standard in helping you improve and streamline your research and production.

Amazon : Spectrometers

Online shopping for Spectrometers - Spectrometry from a great selection at Industrial & Scientific Store.

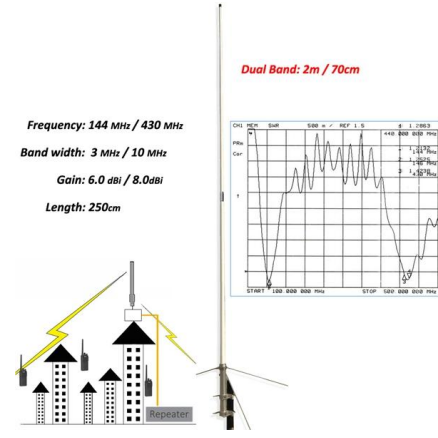

The Best Spectrophotometers: A Buyer's Review of

Discover the top spectrophotometers of 2026 for research and industry. Compare updated models from Shimadzu, DeNovix, and Agilent for speed and

Production spectrometer

Find your production spectrometer easily amongst the 23 products from the leading brands (EVIDENT, Hitachi, RENISHAW,) on DirectIndustry, the industry specialist for your professional purchases.

Cable structure

Photometric Measurements, Spectroquant® System , Analytics and

Perform your internal quality control (IQC) operations reliably and securely! View All Photometric Measurements Products "You can't always trust what you see. So we trust Spectroquant® test kits

Top Spectrometer Manufacturers in India

Discover the top spectrometer manufacturers in India offering high-quality and precise analytical instruments for various industries.

Top 100 Spectrometer Manufacturers in 2026 , ensun

Spectrometer Technologies specializes in high-end spectrometers and analyzers, providing fast and accurate elemental analysis, particularly for the mining and

MPO-MPO Low Smoke Halogen Free Sheath

Multimode 10 Gigabit 24 pole OM3

Insertion loss <0.35dB Return loss >50dB

FluoTime 300 , High-End

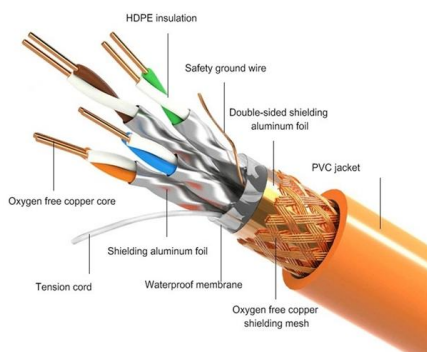

Photoluminescence Spectrometer

Discover FluoTime 300, a modular photoluminescence platform combining steady-state and time-resolved spectroscopy with high sensitivity and flexibility.

PRODUCT DETAILS

Spectrometers

AvaSpec-StarLine Spectrometers The StarLine family of high-performance Avantes spectrometers exceed the needs of most general spectroscopy applications in the

Spectrometry Market Size & Share , Industry Report, 2030

Spectrometry Market (2025 - 2030) Size, Share & Trends Analysis Report By Application (Pharmaceutical Analysis, Forensic Analysis, Proteomics,

Ultra-High-Resolution Spectrometers

Ultra-High-Resolution Spectrometers (Fabry-Pérot) For the most demanding applications, IS-Instruments provides specialist consultancy in Fabry

Top 100 Spectrometer Manufacturers in 2026 , ensun

Ibsen Photonics specializes in the development and manufacturing of grating-based spectrometer modules, offering both standard and customized solutions that are

5 Best Spectrometer Manufacturers in 2025

One of the company's newest product lines features elite high-performance spectrometer systems. They offer up to 10x optical gain and feature
