

# **How to create a visual network cabinet**

## Overview

---

Enable Cabinets under Other if you want to create an electronics cabinet diagram. Both electronics cabinets can be visualised, as well as IT racks with servers and networking hardware, including those provided by specific vendors like APC, Cisco, Dell, F5, HP, IBM and Oracle. The basic network diagram template includes standard shapes for servers, computers, and other parts of your network. Use this template to document a network so people understand it, or to plan a network you're going to build. Create Rack Diagram online, with an online Rack Diagram software Installing equipment in a server rack without prior planning can be problematic since you may not have enough space for the equipment and cables.
