

How to organize too many cables in the wiring cabinet

Overview

How to keep office wires organized?

Label all cables, use desks with built-in management, add under-desk trays, and use cable clips for frequently accessed connections. A cable spine can guide wires from the desk to the floor, with cord covers for any cables crossing open areas. You can also use power strips (like the Superdanny 10ft Power Strip) to reduce cable clutter, since they allow. The frustration of trying to trace a specific cable through a knotted bundle is something most of us have experienced.
