

# **Hungary s domestic fiber optic cable lines are owned exclusively by the company**

## Overview

---

Fiberhome is listed on the Shanghai Stock Exchange and is a significant producer of high-quality optical cables with around 4,000 patents. The seller of the real property was the Hungarian subsidiary of Sumitomo Electric Wiring Systems Limited, the European company of the. 2001/2002 To meet the growing demand, we expand our plant in Taksony (Hungary), resulting in a doubling of our production capacity and a restructuring of logistics. Since its establishment, the history of MVM OVIT Országos Villamostávvezeték Zrt. , briefly and as known: OVIT, has been closely intertwined with the establishment, operation, maintenance and development of the Hungarian high-voltage transmission network. 35% from 2023 to 2024, while the compound annual growth rate (CAGR) for 2020-2024 stood at -8. This decline in CAGR could be attributed to shifts in demand dynamics or changes in trade policies impacting market. Demand for high-speed internet in Europe is on the rise due to the increase in data-intensive services, like streaming. Unoptix specializes in high-quality optical products, including the Alcatel-Lucent SFP-10G-C50CM compatible transceiver and 10G SFP+ passive direct attach cables.
