

Industrial Switches EDS

Industrial Switches EDS

Industrial switches

Through the products from our partners Echelon and Moxa, METZ CONNECT offers system components such as routers and switches that you will need to set up and

EDS-208 Series

The EDS-208 Series supports IEEE 802.3/802.3u/802.3x with 10/100M, full/half-duplex, MDI/MDIX auto-sensing RJ45 ports. The EDS-208 Series is rated to

Industrial IoT Networking

Build a secure industrial IoT network foundation with market-leading Cisco industrial switches, industrial routers, industrial wireless, and industrial compute.

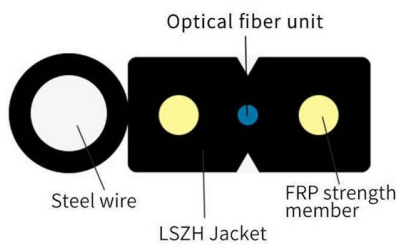

EDS-205 Series

The EDS-205 Series supports IEEE 802.3/802.3u/802.3x with 10/100M, full/half-duplex, MDI/MDIX auto-sensing RJ45 ports. The EDS-205 Series is rated to

EDS-205 Series

The EDS-205 Series is rated to operate at temperatures ranging from -10 to 60°C, and is rugged enough for any harsh industrial environment. The switches can be

Layer 2 Managed Switches

Moxa's Layer 2 managed switches feature industrial-grade reliability, network redundancy, and security features based on the IEC 62443 standard. We offer

EDS-408A Series

The ready-to-use Turbo Ring can be set up easily using the web-based management interface, or with the DIP switches located on the top panel of the EDS-408A

EDS-518E Series

The EDS-518E standalone, compact 18-port managed Ethernet switches have 4 combo Gigabit ports with built-in RJ45 or SFP slots for Gigabit fiber-optic

Gear Up Your Edge Network for Expanding Connectivity

To address the needs of rapidly-expanding industrial networks, Moxa has developed a new series of industrial unmanaged Ethernet switches--the EDS-2000

EDS-308 Series

The EDS-308 Ethernet switches provide an economical solution for your industrial Ethernet connections. These 8-port switches come with a built-in relay warning

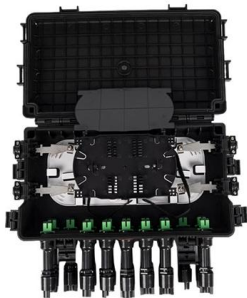

Top 10 Modular Switches & Electrical Switch Brands in India

Salzer Group offers the top 10 modular switches and electrical switch brands in India, delivering high-quality and reliable solutions for residential and commercial needs.

Moxa EDS-308 Series Unmanaged Industrial Ethernet Switches

EDS-308 series switches can be installed easily on a DIN-Rail or in a distribution box. Front-end engineering defines project requirements, evaluates existing conditions, and develops a design

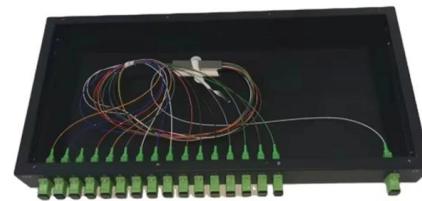

EDS-208A Series

The EDS-208A Series 8-port industrial Ethernet switches support IEEE 802.3 and IEEE 802.3u/x with 10/100M full/half-duplex, MDI/MDI-X auto-sensing. The EDS

Moxa EDS-305 Series Industrial Unmanaged Ethernet

EDS-305 switches can be installed easily on a DIN-Rail or in a distribution box. Front-end engineering defines project requirements, evaluates existing

EtherDevice Switch EDS 205

The industrial Ethernet switch EDS205 is an entry level switch that supports IEEE 802.3 / 802.3u / 802.3x with 10 / 100M, full / half-duplex, MDI/MDIX auto-sensing.

Hirschmann

Hirschmann In today's fast-moving industrial world, your network needs more than just connectivity - it demands reliability, security, and seamless efficiency. That's

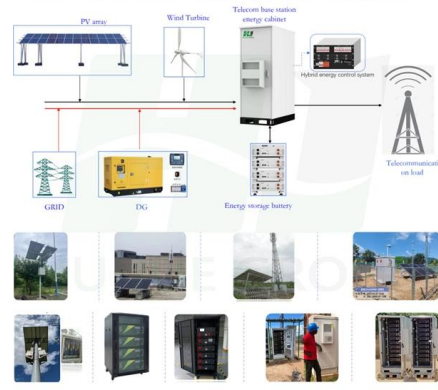

Cisco Industrial Ethernet 3000 Layer 2/Layer 3 Series

This data sheet describes the benefits, specifications, and ordering information for the Cisco Industrial Ethernet 3000 Series Switches.

Base station energy composition diagram

Cisco Industrial Ethernet 4010 Series Switches Data Sheet

Cisco® Industrial Ethernet (IE) 4010 Series Switches with 28 Gigabit Ethernet interfaces are high-performance ruggedized, rack mount Layer2 and 3 switches with high-density Power-over

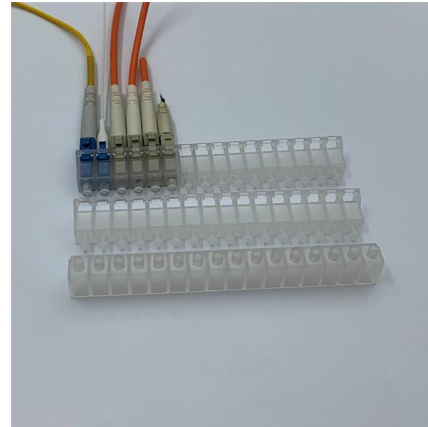

Industrial Ethernet Switches , Communications

Industrial Ethernet Switches Industrial Ethernet switches offer Gigabit transmission speeds, various connection options, and are built to withstand extreme conditions including drastic temperature

Managed Ethernet Switch

The EDS-4000/G4000 Series industrial managed Ethernet switches are game-changing solutions for industrial networking. The strengthened security, easy-to

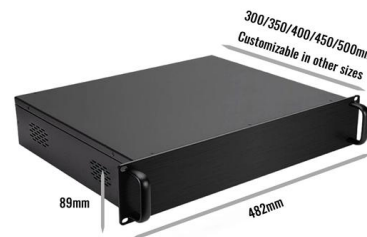

Moxa EDS Ethernet Switches , Ethernet Networking

The Moxa EDS Series offers a comprehensive portfolio of industrial Ethernet switches, purpose-built to meet a wide range of connectivity needs--from simple

Unmanaged Ethernet Switches

Unmanaged Switch false Minimum Qty: 1 Add In Stock 4 ready to ship now 21 more ready to ship on August 20, 2026 1: \$385.31/each Download Datasheet DIN Rail Mount 32 to 140 °F 5 IP30 EDS-305

Moxa EDS Ethernet Switches , Ethernet Networking

Powering Industrial Connectivity with Moxa EDS Ethernet Switches Reliable, secure, and scalable switching solutions for mission-critical networks.

EDS-316 Series

The EDS-316 Ethernet switches provide an economical solution for your industrial Ethernet connections. These 16-port switches come with a built-in relay warning

EDS-205A Series

The EDS-205A Series 5-port industrial Ethernet switches support IEEE 802.3 and IEEE 802.3u/x with 10/100M full/half-duplex, MDI/MDI-X auto-sensing. The EDS

EDS-305 Series

The EDS-305 Ethernet switches provide an economical solution for your industrial Ethernet connections. These 5-port switches come with a built-in relay warning

EDS-2008-EL Series

Introduction The EDS-2008-EL series of industrial Ethernet switches have up to eight 10/100M copper ports, which are ideal for applications that require simple
