

Latvian distributor of 800G air-cooled power switches

Latvian distributor of 800G air-cooled power switches

800G Data Center Switches

Discover the power of Open Networking with 1-1.6T Open switches. Ideal for public and private cloud data centers of all sizes.

A Comprehensive Guide to 800G DR4/DR8 Transceivers

Meeting Diverse Network Demands with 800G DR4/DR8 Modules The 800G DR4/DR8 transceivers enables 800G direct connections between

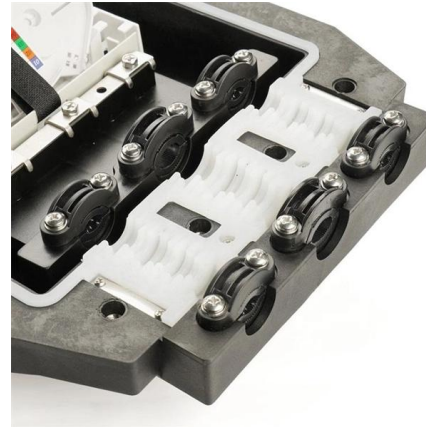

Air-Cooled Switchmode Power Supply

Our Products Air-Cooled Switchmode Power Supply The MSA rectifiers are based on Switch Mode Technology. This reliable technology assures excellent quality DC

800G Thermal and Power Planning Guide: Transceivers, Cables, and

Thermal. A single 800G DSP transceiver draws 14-17 watts. Multiply by 32 ports and you get over 500 watts from optics alone, before the switch ASIC, fans, or PSUs. This guide covers

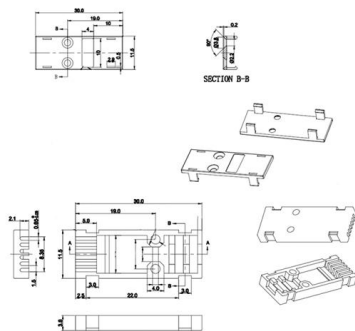

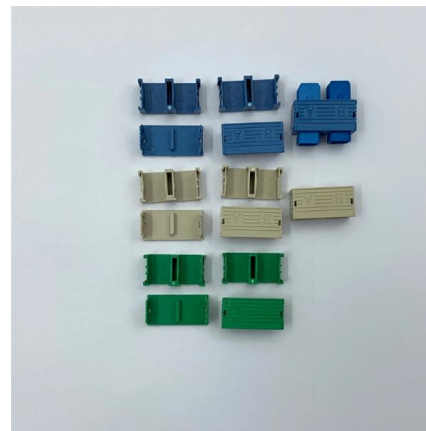

Delta Presents Energy-Saving ORV3 Power Solutions,

Optimized 800G Ethernet Switch for Hyper-Scale Data Centers Delta's 800G Ethernet Switch product line provides efficient and scalable designs

Air-cooled Q-switches

3. Air-cooled Q-switch QS080-2G-3D1 1/2 DPSS systems, polarisation insensitive 1/2 Miniature size, conduction-cooled 1/2 1.0mm active aperture We present

Data Center Switch

Celestica's 800G Family of Network Switches are purpose-built to support cutting-edge AI/ML and HPC requirements. The DS5000 delivers unparalleled high

In our product lines we have inverter compressors and pumps and other high energy efficiency solutions. Please find more information in our Catalogue.

7060X6 Series 800G Data Center Switches

Supported with any combination of ECMP and LAG/MLAG, DLB delivers higher throughput with enhanced load distribution while offering the user an open implementation.

Cisco OSFP 800G Transceiver Modules Data Sheet

The OSFP 800G transceiver modules are Cisco's new generation of pluggable transceiver modules based on the OSFP specification. They offer

Edgecore Networks debuts 800G switch to power AI/ML

The Taiwan-based vendor is out with its new 800G-optimized switch that provides high-performance Ethernet fabrics for AI/ML deployments. The new

RS , RS Latvia

Compact slide drive with ball bearing guide and fixed cushioning. Slim design with versatile mounting options. RS is the leading provider of industrial and electronic solutions. Secure online ordering,

Aprum LLC

SIA Aprum is a growing company whose area of interest is focused on the automation market for HVAQ (Heating, Ventilation, & Air Conditioning) systems.

Vertiv Official Distributor in Latvia

Vertiv solves the most important challenges facing today's data centres, communication networks and commercial and industrial facilities with a portfolio of power, cooling and IT infrastructure solutions

Switches , Elekrika.lv

We offer delivery not only in Latvia, but also abroad. High quality, fast service and attractive prices - our company is ready to provide favorable conditions for both: companies and individuals.

H3C's Core Liquid Cooling Breakthrough: Redefining 800G Switch

Building on its S9827 series 800G switch platform, which already incorporates liquid cooling design and has been validated through large-scale deployments, H3C has refined liquid

560ns Ultra-Low Latency: Asterfusion's 800G AI Switch

Combined with the module's low power profile, it reduces the thermal burden on the switch system, enhancing both stability and long-term reliability of

, Elekrika.lv

Elekrika is a wholesale and retail company with a wide selection of electrical materials and related products, founded in 2009 in Latvia, the city of Riga.

H3C's Core Liquid Cooling Breakthrough: Redefining 800G Switch

Fig. 1: H3C S9827 Series Data Center Switch Adaptive Contact Technology: Tackling the Temperature Uniformity Challenge of High-Power Optical Modules For operations engineers, the

Danfoss Latvia Product Store , Homepage

Meklejjiet un solidziniet pilnu Danfoss produktu katalogu ar vairak neka 800 000 produktiem. Par katru produktu ir pieejama detalizeta informacija, ka piemeram,

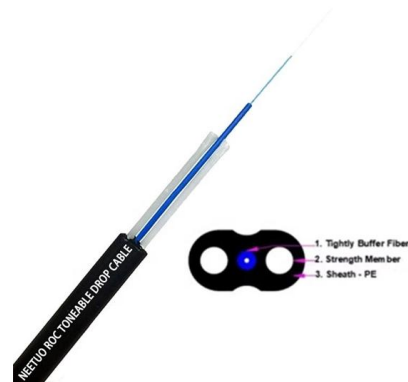

H3C's Core Liquid Cooling Breakthrough: Redefining 800G Switch

For operations engineers, the foremost challenge in deploying high-power, high-density liquid-cooled switches is ensuring that core components do not overheat.

Empower AI/ML: STORDIS 800G Switching

Celestica 800G Switching Solutions for High

Celestica DS4100 and DS4101 800G Switches deliver high-performance, scalable data center solutions with expert support from STORDIS.

Cooling the Network Revolution: Edgecore's Liquid and

High-speed 800G Ethernet switches and AI/ML servers pack immense power into each device, generating heat loads that air fans struggle to

Experience cutting-edge 800g AI-ML switching solutions at Stordis. Drive innovation and performance for your business. Explore now!

F9 Distribution Baltic

We are leading distributor of IT and home electronics in the Baltics. Our authorized partners deliver our distributed various solutions in the IT and consumer electronic sector in all Baltic region.

Retail & Wholesale Electrical Materials , Elektrika.lv

Retail & Wholesale Electrical Materials - Cables and wires, Lighting, Automatics, Installation, Transformers, Insulating materials, Heating and ventilation, IT and
