### Luna Innovations Acquires Micron Optics

ROANOKE, Va.-- (BUSINESS WIRE)-- Luna Innovations Incorporated (NASDAQ: LUNA), a global leader in advanced fiber optic technology, today announced that it has acquired Micron Optics, Inc.,

### Micron Announces Exit from Crucial Consumer Business

BOISE, Idaho, Dec. 03, 2025 (GLOBE NEWSWIRE) -- Micron Technology, Inc. (Nasdaq: MU), a leader in innovative memory and storage solutions, today

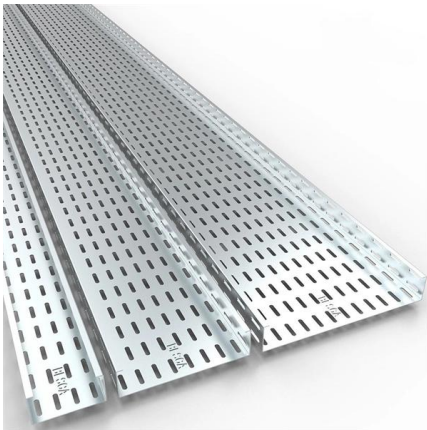

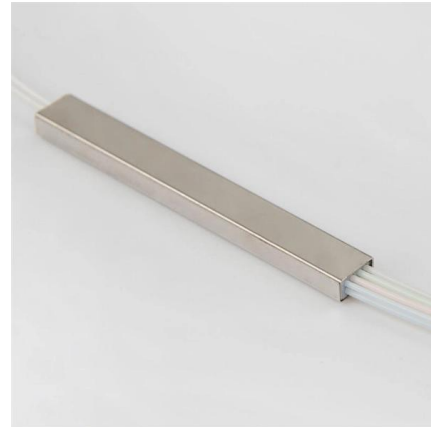

### Luna Innovations buys Micron Optics , Lightwave Online

Luna Innovations Inc. (NASDAQ: LUNA) says it has purchased Atlanta-based Micron Optics, Inc., which provides optical components and laser-based measurement technology.

### Latest News

Stay updated with the latest news and announcements from Micron Technology, a global leader in memory and storage solutions.

### **Luna Innovations acquires Micron Optics to enhance services in**

Fiber optic technology provider Luna Innovations Inc. (NASDAQ: LUNA) has announced the acquisition of Georgia, US-based Micron Optics, Inc., a provider of innovative optical components

### **Luna acquires Micron Optics, expands optical and fiber-optic testing**

Luna Innovations Incorporated (Roanoke, VA; NASDAQ: LUNA), manufacturer of fiber-optic test and measurement technology, has acquired Micron Optics (Atlanta, GA), manufacturer of optical

### **Luna Innovations Acquires Micron Optics , light speed , Dec 2018**

Luna Innovations Inc., an advanced fiber optic technology developer, has announced it has acquired Micron Optics Inc., an Atlanta-based provider of innovative optical components and laser-based

## Luna Innovations buys Micron Optics , Lightwave Online

Micron Optics' sensing and measurement products are used in several industries and applications. These include automotive and aerospace, which Luna described as its core customer base and

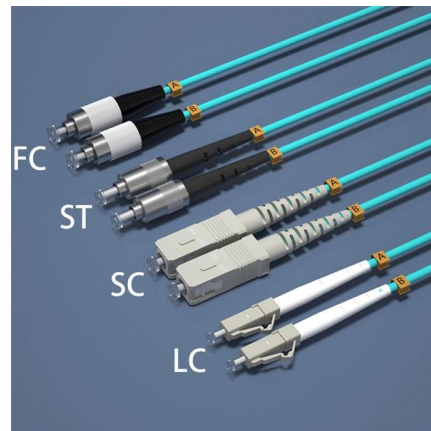

## List of 8 Acquisitions by Micron (Jan 2026)

Discover Micron's complete list of acquisitions with year-wise trends, sector-wise breakdowns, geographic insights, and related M& A news and activity data.

## 6 Companies Owned by Micron

Elpida, Numonyx, Inotera Memories, Texas Instruments' memory chip business, IM Flash Technologies, and FWDNXT are all major companies owned

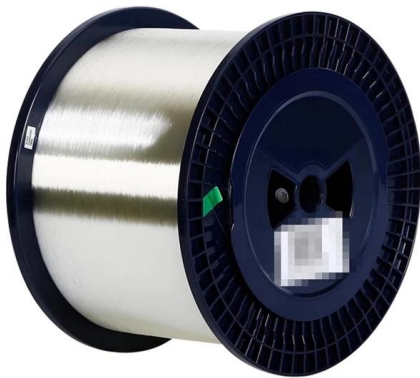

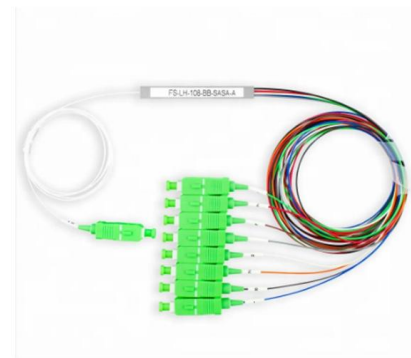

## Micron Announces Agreement to Acquire Numonyx

Through its worldwide operations, Micron manufactures and markets DRAMs, NAND flash memory, other semiconductor components, and memory modules for use in leading-edge

### About , Micron Technology Inc.

Micron offers equal employment opportunities regardless of race, color, religion, gender, age, disability, veteran status, or other protected class.

### Luna Innovations acquires Micron Optics -- optical

Luna Innovations, which specializes in high-performance fiber optic-based test products for the telecommunications industry and distributed fiber

### Luna Innovations Acquires Micron Optics

Luna Innovations Incorporated (NASDAQ: LUNA), a global leader in advanced fiber optic technology, today announced that it has acquired Micron Optics, Inc.

### Luna Innovations Acquires Micron Optics, A Leader in Optical

Due to the complementary nature of Micron Optics' products, Luna expects a smooth integration with its existing product lines. The combined product portfolio has the potential to provide customers with

### Avago agrees to sell optical modules business to

Avago has further agreed to act as worldwide sales agent for its former optical subsystems line after the deal closes through a strategic partnership with FIT. FIT

### **Micron Optics, Inc.**

Today, Micron Optics is focused on advancing the quality of optical measurements in the field of optical sensing through superior tunable optical components and

### **Optical Measurement Technology: Luna Innovations acquires Micron Optics**

Luna Innovations, a provider of advanced fiber optic technology, has acquired Micron Optics, an Atlanta, Georgia (US)-based provider of optical components and laser-based measurement technology.

### **Micron Optics 2026 Company Profile: Valuation, Investors**

Information on acquisition, funding, investors, and executives for Micron Optics. Use the PitchBook Platform to explore the full profile.

## Micron Optics is now Luna Innovations

Luna Innovations has acquired Micron Optics, Inc., a leading provider of innovative optical components and laser-based measurement technology.

## Luna Innovations Acquires Micron Optics, A Leader in Optical

Acquisition will accelerate growth in structural testing and sensing as well as communications testing ROANOKE, Va. -- (BUSINESS WIRE)--Oct. 16, 2018-- Luna Innovations Incorporated (NASDAQ:

## Micron Optics acquired by Luna Innovations

Micron Optics Micron Optics is a provider of innovative optical components and laser-based measurement technology.

## Luna snaps up Micron Optics in \$5M acquisition , optics

Acquiring Micron Optics appears to meet that aim, with Luna's CEO Scott Graeff saying that it "fits squarely" within Luna's core technology platform and target markets, and will act as a

## Investor Relations , Micron Technology

The Investor Relations website contains information about Micron Technology 's business for stockholders, potential investors, and financial analysts.

### **Micron Optics acquired by Luna Innovations**

Overview Acquired Organization: Micron Optics  
Micron Optics is a provider of innovative optical components and laser-based measurement technology.

### **Luna snaps up Micron Optics in \$5M acquisition , optics**

The Nasdaq-listed fiber-optic technology vendor Luna Innovations has acquired Atlanta's Micron Optics, in a cash deal worth up to \$5 million. Micron Optics sells fiber-optic sensing systems

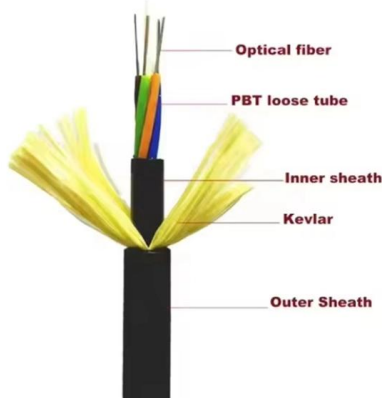

### **Optical Measurement Technology: Luna Innovations acquires Micron**

Luna Innovations, a provider of advanced fiber optic technology, has acquired Micron Optics, an Atlanta, Georgia (US)-based provider of optical components and laser-based

## Luna Innovations Acquires Micron Optics, A Leader in Optical

Micron Optics' sensing and measurement solutions are deployed in multiple industries including in automotive and aerospace, Luna's core customer base. Due to the complementary nature of Micron

## Micron to acquire Numonyx for \$1.27bn

Micron Technology, the US maker of flash memory chips, is to buy privately held rival Numonyx in a \$1.27bn all-share deal. The transaction is expected to make Micron the world's third
