

Moisture-proof surface-mounted electrical box

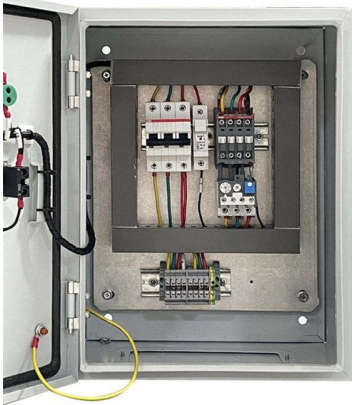

Overview

This surface-mount junction box is ideal for connecting Cat5e/6 networks, USB 3.0 or 4K HDMI installations in outdoor applications and other areas where protection from harsh elements is essential. It is constructed with a high-impact polycarbonate (UL94V-0) housing and flexible. Durability guaranteed, waterproof boxes and weatherproof enclosures are specifically designed to meet and exceed various NEMA and IP requirements, making them ideal for both indoor and outdoor use. Discover more about the small businesses partnering with Amazon and Amazon's commitment to empowering them. The boxes that are suitable for wet areas have been manufactured using a two-component technology and include membrane cable entries.
