

Philippines cable tray production

Overview

Local production is concentrated among a number of mid-sized fabricators and a few larger, more integrated manufacturers. These entities typically source raw materials—primarily steel coils, sheets, and aluminum extrusions—both domestically from local steel mills and from. Looking for reliable cable tray manufacturers in the Philippines?

This guide not only lists the top local suppliers, but also helps EPC contractors, engineers, and procurement teams decide when to source locally and when to import for better cost-performance. Our company organization is composed of a team of experts in electrical design, electrical construction works, renewable, sustainable power and engineering-commissioning works. was founded in Manila in 1988 and has been serving the commercial and industrial market with high quality products and services for the past 38 years. Space-Tray was invented by the president of Infratex as a bespoke solution for Manila's electric utility company, and is.
