

Power cord model for cabinet

Overview

Don't cut into your beautiful backsplash and install outlets and switches, undermount them below the cabinet and hide them. Standard power cords or jumper power cords are available for connection to the appliance. You'll learn what features to look for, how to pick the perfect one for your kitchen, and how to finally say goodbye to that countertop cord chaos. If you're looking for under-cabinet power strips that hide away and keep your space tidy, I recommend considering sleek, low-profile options with multiple outlets and USB ports. Indoor, Office, College Dorm Room, Hotel, School, Garage, Side table, Cabinet, TV Cabinet, Restaurant, Workshop Indoor, Office, College Dorm Room, Hotel, School, Garage, Side table, Cabinet, TV Cabinet, Restaurant, Wor.

Power cord model for cabinet
