

Precision hardware accessories for optical cables available in stock

Overview

In addition to starter kits as basic equipment, we also offer polishing accessories for POF and PCF connectors. Berkshire Photonics is an industry-recognized specialist and trusted supplier of fiber optic connectors. Included in accessories are different types of hardware for the installation and efficiency of your cable system. -All Glenair fiber optic connection systems are supported with a complete range of bulk simplex cable choices including stepped and graded-index configurations as well as radiation and atomic oxygen resistant configurations for satellite applications. They range from cleaning and polishing kits to full termination tool kits for nearly all common connection styles and core sizes of fiber optic cabling.
