This appears to have been premised on the Islamic belief that Adam's Peak — where the biblical Adam fell to earth — is located in Sri Lanka, and that Adam crossed over to peninsular India via the bridge after his expulsion from the Garden of Eden. Overview Adam's Bridge, also known as Rama's Bridge or Rama Setu, is a chain of natural between, also known as Rameswaram Island, off the southeastern coast of,, and. Due to lowered sea levels during the (115,000-11,700 years ) where sea levels reached a maximum of 120 m (390 ft) below present values, the entirety of the relatively shallow (which.
