

Tender Requirements for Optical Modules

Overview

For every fibre optic procurement tender, DTVP, EVB-IT and technical specification, public authorities and municipalities have been required to consider the new VDE guidelines 0800-730 and the EU Gigabit Infrastructure Regulation (GIA) since February 2026 - these define binding. Explore the available EU funding opportunities by searching for calls for proposals within your topics of interest, find partners and submit a proposal. This paper is designed to help you decipher price trends, evaluate suppliers in a sophisticated manner, and apply effective procurement strategies. By understanding these concepts, the reader will be more adept at optimizing their optical module spending—spending less where possible while retaining.
