

Terminal box 8-port Is

Strengthen door locks

More durable and aesthetically pleasing

Grounding screw

More aesthetically pleasing and safer

Removable hinges

Make operation more convenient

Sealing strip

Dustproof and waterproof

Overview

The L-com LCFTB-108-LCA FTTH Terminal Box presents a cutting-edge solution for indoor fiber optic termination and distribution of optical cables. Crafted with sturdy metal, this wall-mountable box guarantees durability and reliability for your network connections. Simple with light weight in design, special snap clip close system convenient for user. DIN Rail Fiber optic terminal box is available for the distribution and terminal connection for various kinds of optical fiber system, especially suitable for mini-network terminal distribution, in which the optical cables, patch cores or pigtails are connected.
