

Txf distribution box model

Overview

The distribution oem smc fiber optic box is suitable for the connection, distribution and dispatching of outdoor optical cable and optical distribution cable. Details of TXF-A Fiber Optic SMC Cabinet Size: 483*270*100mm Back look Make by cold rolled sheet Can install. Corning® TXF® optical fiber combines both ultra-low loss and a large effective area for ultimate high-data-rate transmission performance over extremely long spans. High-performing, reliable product solutions that transmit data, power and signal in cars, planes, power grids, appliances, electro. Interconnect/distribution box systems provide in-flight experiences to commercial airline passengers worldwide. To order such indoor box, a letter "R" is specified when ordering; to order the concealed box sized 250 x 200 x 140, the order number is JXF252014R.
