

Venezuelan manufacturer of high-density integrated container racks

Overview

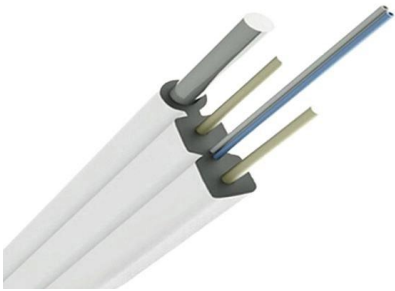

Container/swapbody manufacturer and other services provided by Venezuelan Containers Group SA located in Estado Sucre, Venezuela. With our 200,000+ meter square footprint, we run highly compliant fulfilment, consolidation/deconsolidation operations with highest quality standards, covering risk analysis, change control and deviations management. UNEX high-density storage systems, like SpeedCell, Pick Shelves, and SpeedCartt provide a dynamic, and more efficient way to combat these challenges. For 65 years, AMOVA has been an expert in the storage and transport of heavy loads. We have successfully transferred this know-how to container terminal applications, adapting and optimizing our proven equipment and technologies. This is directly impacting the trade of the country • The state-owned company Bolipuertos currently manages the main container facilities.
