When planning cable pathways, the horizontal runs often get the most attention. However, the vertical cable tray is an equally critical component that

Cable Tray in High-Rise Buildings: Vertical Cable

Rack cable management (RCM) is a rack where all cables are arranged together. There are several types of cable management solutions -- horizontal cable

Rooftop Cable Tray Support System

PHP's cable tray support system is engineered to sustain various sizes of cable runs on your rooftop. PHP is the leader in cable tray support systems.

Cable Tray / Ladder Tray INSTALLATION PowerTray

General Installation Guidelines: For more information refer to the latest NEMA standards and local building codes. Trough tray field support and frequency depends on the weight and construction

Why Choose Us

- 20 Years of OEM/ODM**
25 Years factory manufacturing experience.
- Professional R & D team**
10-years experience in mold/electronic engineer.
- Fully Certified**
Our are certified CE,UL,ROHS,ISO9001,ISO13485,etc.
- Timely Delivery**
23 production lines, 500+ employees, timely delivery guaranteed.
- Quality Assurance**
Professional QC team with full process inspection.
- After-sales service**
After Sales Service for Customer Satisfaction.

Vertical Cable Ladders

The standard support construction of vertical cable ladders STL, STM and STIC in accordance with DIN 4102 Part 12 for vertical cable laying with circuit integrity

Best Practice Guide to Cable Ladder and Cable Tray Systems

Cantilever arms enable horizontal runs of cable ladder or cable tray to be mounted to vertical steel, concrete or masonry surfaces or to channel support systems (Figure 10).

Support trays and guide channels

If required, we supply our cable carriers with a suitable support tray for your application. This ensures quiet movement of the lower run with reduced wear, reducing costs and design work.

How to Install Cable Tray: A Comprehensive Guide to Different Cable

Welcome to our step-by-step guide on installing cable trays! In this video, we'll explore the different types of cable trays available and provide detailed instructions for their installation.

Vertical Cable Ladders

The vertical cable ladders STL, STM and STIC meet the exact specifications and definitions of DIN 4102 Part 12 of November 1998, such as height of the
