

White leather tail thread

Overview

This strong, five-cord white polyester thread is perfect for hand-stitching leather projects. Assorted Colors: 14 different colors of leathercraft sewing threads, including original white, white, red, sky blue, light green, off-white, medium coffee, khaki, blue, light gray, black, grass green, etc, which can meet all of your needs in leather sewing. Heavily waxed thread: The waxed leather thread is made of high-quality material and is very durable and wax-coated, so the stitches are easy to pull taught, smooth to the touch, strong and durable and will not easily fray. Our yarns have been specially developed to meet the high demands of leather manufacturers.
